

Instructions For Creating Your Personal RAKC Fundraising Page

The Morgan Adams Foundation (MAF) has provided an easy way for you to **create your very own online personal donation webpage**. Then you can simply provide potential donors a link to your own webpage. Cool. Your donors can then, with just a few clicks, easily make their donation online. No muss, no fuss, no stamps nor envelopes to mess with! **Your donors will appreciate the ease of making a donation online**. Their online donations will count towards your total the same as any snail-mailed donations.
